

Power Lines

AUGUST 2020

Are you on the list for unclaimed capital credits?

At www.precorp.coop/capital-credits is a list of members or former members who are owed patronage capital (capital credits) for the fiscal year 2017 and for whom PRECorp does not have a current or deliverable mailing address.

PRECorp's bylaws require that two years after capital credits are retired and remained unclaimed, the members, or former member, be sent a letter attempting to locate them and list of names be published in a local newspaper. If the capital credits remain unclaimed sixty days after notice, the capital credits are then forfeited by the member and gifted to the cooperative.

The list was published in two July editions of the Gillette News Record. Members or former members who would like to see if they are on this list should view it on-line and, if necessary, contact PRECorp at 1-800-442-3630 BEFORE Friday, September 16.

Upon positive identification, unclaimed capital credit money will be issued to the member or former member in the form of a check.

Please allow two weeks for processing.

After September 16, the remaining unclaimed capital credits will be considered forfeited and gifted to the cooperative. Gifted funds are permanent equity of the cooperative which are used to benefit PRECorp's remaining membership as a whole.

Currently the gifted capital credits are used to fund PRECorp's scholarship program and other civic and community involvement programs.

In this way, even though the capital credits are not being returned to the members who earned them, the money is still being returned to communities that PRECorp serves.
