

Beware of Meter Tampering

Meter tampering can result in electric shock, is illegal and increases electricity rates for other co-op members.

- ⊘ Never break a meter seal.
- ⊘ Never open a meter base.
- ⊘ Never remove a meter or alter an entrance cable in any manner.

If you know or suspect that someone has tampered with their meter, please contact us immediately.

Board member sought from Johnson County

A vacancy on the Powder River Energy Board of Directors has occurred with the resignation of Johnson County Director Pam Kinchen.

Kinchen was elected to the Board six times, and was re-elected to her current three-year term at the August 2016 Annual Meeting. She resigned in December citing personal reasons.

The term expires in August 2019, and the PRECorp Board of Directors is seeking letters of interest from Johnson County members who would be willing to fill out that term. The Board will review letters of interest and conduct interviews at a special meeting on Monday, March 19, in Sheridan. This seat will be filled at the regular Board of Directors meeting on March 20, and the remainder of the term.

The qualifications for a seat on the PRECorp Board of Directors are as follows:

The applicant:

1. Must reside within the Johnson County service territory. However, members taking service outside Johnson County shall be deemed to be a member of and within the area served by the county closest to the nearest meter serving the members' residence;
2. Must be a member receiving electric energy from PRECorp;
3. May not be in any way employed by or have a substantial financial interest in a competing

enterprise or a business selling electric energy or supplies to PRECorp.

The deadline for submitting a letter of interest is **5 p.m., Friday, March 2**. The letter should include the following information:

- Member number;
- Physical address of your primary residence;
- Primary contact information: phone number, email address;
- A statement indicating your qualifications and interest in serving with the PRECorp Board of Directors.

Send letter of interest to:

PRECorp Board of Directors, Attn: Corporate Administration, PO Box 930, Sundance, WY 82729; or email to: adminhelp@precorp.coop

Energy Efficiency Tip of the Month

A crackling fire in the hearth warms the house, but don't let it heat up your electric bill! Caulk around the fireplace hearth and keep the damper closed when a fire is not burning.
