- Other

Please provide a brief description of your project: _____

Feel free to attach any other information related to this project.

IV. Applicant Certification

I have willfully furnished information to PRECorp for the purpose of applying for a loan. I understand that PRECorp's H.E.L.P. Committee will review the information provided above, my past account activity, credit history, or other information to assist with approving or denying this application. I authorize PRECorp to contact any individuals or institutions listed on this application, if required, to assist in the application process.

If this application is approved, I understand/agree that PRECorp will divide the total loan by the term approved which will then be added to my monthly PRECorp billing statement until the loan is paid in full;

A one-time processing fee of four percent (4%) of the total loan amount requested, which will be applied with the first monthly payment;

I/we will need to provide receipts to PRECorp within 30 days, unless otherwise specified on this application, upon receiving loan funds as proof that the monies were used for the specific projects approved in my loan application. If receipts are not received, the loan shall become due and payable immediately;

If I/we default on any payment, the remainder of the loan becomes due immediately. PRECorp will be entitled to reimbursement of all attorney fees, along with any other associated costs, incurred to collect any remaining amounts due.

I/we understand that all payments to my/our account will be applied first to any loan payments and then second to my/our normal monthly electrical usage.

I/we will execute a promissory note, payable to PRECorp as holder of the note, for the amount due and payable.

I have attended, or agree to attend, a PRECorp H.E.L.P. Program training on _____ (date).

I have read and agree to the guidelines of this loan program, provided to me, at the time of application.

Signature (primary): _____ Date: _____

Signature (joint): _____ Date: _____

V. Submission
