Crook County Medical Services has a 24-7 dedicated Coronavirus hotline number if you think you are displaying symptoms or have been exposed. Call 307-283-3501 ext. 0. They are the only facility in the county doing the Covid-19 testing at this time.

The novel coronavirus is still among us. PLEASE continue to take precautions such as frequently washing your hands, staying home if sick, wearing masks in public areas and cleaning thoroughly. Don't become complacent!

If you have any questions about the County response, state orders, exceptions to the orders or variances, please call public health at 283-1142 ext. 4.

We are keeping the emergency operations center open, but with reduced operations at this time in the response. The EOC will be staffed by at least one person Monday through Friday 8-5.

Wyoming sees it's 8th Covid-19 death:

The fourth continuation of the state health orders released May 13 are in effect May 15-31.

Thank you to everyone for all you have done and continue to do to protect everyone in the county! Please feel free to contact us at the public health EOC (283-1142 ext. 4) if you have any questions.

Respectfully,

Melanie Wilmer, PIO
